Privacy Policy

This policy will explain how our organization uses the personal data we collect from you when you use our website.

What data do we collect?

Our Company collects the following data:

- Personal Identification information (Name, email address, phone number, etc.)
- Website Usage

How do we collect your data?

You directly provide our Company with most of the data we collect. We collect data and process data when you:

- Place an order for any product or service
- Make inquiries about employment
- Make inquiries for a Request for Quote
- Voluntarily complete a customer survey or provide feedback on any of our message boards or via e-mail.
- Use or view our website via your browser's cookies

Our Company may also receive your data indirectly from the following sources:

- Contracted marketing and advertising services
- Managed Internet Technology (IT) services partners

How will we use your data?

Our company collects data so that we can:

- Process your order, manage your account
- Email you with offers on products and services we think you might like
- Understand our customer and the interest of those providing data

We do not currently share data with partner companies. We do not share data with our partnered marketing, advertising, and partnered services companies beyond the data they inherently help us collect, store, and use.

How will we store your data?

Our company securely stores your data on a stand-alone server at the address below. The server is protected by firewall and data at rest encryption and is actively protected by contracted IT services.
